## CAREER OBJECTIVE

"As a second-year BTech CSE student specializing in AI/ML, I aim to apply my skills in programming (C, Python, Java) and front-end technologies (HTML, CSS, JS) to real-world projects. Eager to learn and grow, I seek an internship to enhance my AI/ML knowledge and contribute to innovative solutions."

## WORK EXPERIENCE

**Social Internship • Internship**                                          Jun 2024 - Jul 2024
Kshitiksha Foundation, Virtual

Social Internship - Kshitiksha Foundation (Online)
Contributed to community-driven initiatives by organizing online events, fundraising, and spreading awareness. Assisted in educational programs for underprivileged children and supported content creation for social media. Gained valuable skills in communication, organization, and teamwork.

## EDUCATION

**B.Tech, Computer Science & Engineering Specialization-(AI &ML)**                         2023 - 2027
Dev Bhoomi Uttarakhand University Dehradun

## TRAININGS / CERTIFICATIONS

**Web Development**
Dec 2024 - Feb 2025

Internshala Trainings, Virtual

## PORTFOLIO

## PROJECTS

**Sign4U Website**
Apr 2025

Sign4U Website
Technologies Used: HTML, CSS, JavaScript
Developed a responsive and user-friendly website called Sign4U using front-end technologies. The site was built with guidance from  ChatGPT , focusing on clean design and functionality. It demonstrates practical application of web development skills and interactive UI design.

**Stone paper scissor game**
Jun 2024 - Apr 2025

Technologies Used: HTML, CSS, JavaScript
Built an interactive Stone Paper Scissor game where users can play against the computer. Implemented core game logic using JavaScript and added basic styling for a clean, engaging user interface. Helped strengthen understanding of DOM manipulation and event handling.

## SKILLS

- HTML
- Java
- SQL
- CSS
- C Programming
- JavaScript
- Python

## ADDITIONAL DETAILS

- Completed Web Development (Internshala), Azure AI & Data Fundamentals (Microsoft), ISO-certified AI Masterclass, and a social internship. Built Sign4U & a game using HTML, CSS, JS. Skilled in C, Python, Java, and basic AI/ML tools.
